Announcements & Reminders

Spare Clothes Please ensure that your child has a bag of spare clothes on their peg clearly labelled with their name. Many children are needing to change throughout the day and we do not have enough spare clothes to provide to each child.

Old Cushions..... If anybody has any spare cushions or bean bags, we would love to have them. We are beginning to develop our outdoor area and we need to soften our outdoor reading area.

Reading Books Please ensure your child has their reading book in school on their book changing day and you are signing their reading log.

Tours of School..... If any parents did not get a chance to have a tour of the school before they applied for a Reception place for their child last year, please speak to the office. You are welcome to come along to one of the tours we are running this year so you can see the rest of the school.

Fortnightly Family Task

Read a story with your child aside from their weekly reading book. Can they spot the title and the author? Draw and colour a picture of the main characters in the story and bring in your pictures so that we can try and guess which story it is that you have read.
