## Fortnightly Topic Task

Our next topic task of the year relates to our new study of the 1960's. We would like the children to talk to a person known to them who lived through the 1960's about what life was like back then, compared to the present day. We have asked the children to make a list of three or four differences which we can collate in class and incorporate into their books. The due date for this work is 22nd November.
