Letter of the week: ai, ee, igh, oa

## Announcements & Reminders

### **Volunteers for the Library Visit**

Thank you to those that have volunteered to help us with our visit to the library. We are still in need a few extra volunteers for the trip. If you can make it please speak your child's teacher.

### **Zips**

As the weather is getting much colder we are encouraging the children to do their zips up on their coats. Please could you practice at home to help your child become more independent with this. Thank you.

## Fortnightly Family Task

The children have really enjoyed learning our new sounds in phonics. Can you find some items around the house that feature one of these new sounds?  
(ch, sh, th, ng)

Share it with us on Tapestry!
