

The Hoot

Year 1 Edition

Wb: 25.11.19

Announcements & Reminders

Children need coats in school every day, as we have had a lot of rain but we like the children to get out as much as possible.

Please make sure your child has their book bag and reading books with them every day, as we read as much as we can, not just on the children's book changing day.

Don't forget, there are lots of phonics resources on our school website that could help you support your child with phonics at home.

Upcoming Events

Wednesday 4th December— 'Wizard of Oz' Pantomime

10th-11th December— Toy Workshop

Please remember to give permission and payment for these events via Parent Pay.

Thursday 19th December—Christmas Performance

Maths: This week we will be working on recognising and naming 2D and 3D shapes.

Useful vocabulary: sides, corners, vertices, edges, faces, corners, cuboid, cube, pyramid, cylinder, cone, sphere, rectangle, circle, square, triangle

How you can support at home:

Go on a shape hunt around your house—how many different shapes can you find?

English: This week we will start a new unit on Traditional Tales. We will be looking at fairy tales and how they are structured.

How you can support at home:

Think about any traditional tales you already know- can your child retell it?

Phonics: We will continue to look at and consolidate Phase 4.

No new sounds are taught, but we learn about reading and spelling words with common consonant clusters that come at the beginning of words. We will be looking at some Phase 4 polysyllabic words (words with more than one syllable).

How you can support at home:

Recapping sounds that have already been learnt will help the children as it is helping them to remember to embed and use these in their work. Keep an eye out for Phase 4 sounds and polysyllabic words in any books you are reading at home.
