Literacy Focus: List writing

Announcements & Reminders

Reading Records and Reading Books:

As you may now know, we have given each child a book and a reading record. Mrs Iqbal's children will have their books changed every Thursday and Miss Webb's children will have theirs changed every Wednesday. It is important that you send in both the book and reading record on the day your child's book is being changed. Without both, we will be unable to change their book. Please could you also sign or leave a comment to let us know you have read the book. Many thanks to those who have been doing this.

Speech and Language:

Here is this week's Speech and Language tip, all about ['Why the way we talk to children really matters'](#).

Fortnightly Family Task

Sorting activity:

We have been learning about sorting. Can you have a go at sorting out some clothes items at home when the laundry has been done? What types of clothes should go together? Can you sort them by their colour? What other ways can you sort them out? Have a go and have fun!

If you have any questions please speak to your child's class teacher.
