

23rd January 2020

Dear Parents/Carers,

Reception Stay & Play

We would like to invite you to attend our Reception Stay & Play, which this half term will have a maths focus. This will take place on **Wednesday 12th February** from 2:15pm-3:25pm.

We run Stay & Play sessions every half term and they are a great opportunity for you to spend time with your child in school to see what happens during teaching times. The children love showing their grown-ups around their classroom and it is a brilliant way for you to see how you can support your child at home to ensure continuity between home and school.

This Stay & Play will be an opportunity for you to see how maths is taught in Reception. We will look at what resources the children have available in class and also gain some practical and fun ideas about what simple everyday tasks can be carried out at home by you and your child to help support their numeracy skills.

Although we welcome parents with babies to attend, please may we ask that prams be left outside the classroom.

If you have anything that you would specifically like to see in future Stay & Play sessions please do not hesitate to see your child's class teacher with your suggestion.

We look forward to seeing you there.

Kind Regards

Laura Tracanna
Assistant Headteacher (Early Years)
