Nursery Edition

27/1/2020

**Our Book of The Week:** The Three Little Pigs

**Maths Focus:** 2D and 3D shapes

**Phonics Focus:** Introducing sound 'c' and tricky word 'go'

**Literacy Focus:** Discussing the story setting and acting out the story.

## Announcements & Reminders

**Punctuality:** We have noticed that some children are being dropped off late. Our tambourine will be shaken at 8.55am every day to indicate that learning time is about to begin promptly for a 9:00am start. If children arrive after this time, we would like to request that you drop them off at the door and a member of staff will support them to get settled. When parents come inside after this time it can be extremely distracting for the other children who have already started their learning time. Thank you.

**Reading books:** Please can you make sure that your child has got their reading book and reading record ready on book changing day. Miss Webb's class changes books on a **Wednesday** and Mrs Iqbal's class changes books on a **Thursday**. If the book has been lost please inform the class teacher.

## Fortnightly Family Task

Can you make a list or draw some of your favourite traditional tales characters?

If you have any questions please speak to your child's teacher.
