

26th February 2020

Dear Parents/Carers,

Nursery Longford Park Visit

We would like to take the children for a local visit to Longford Park's Pets Corner for them to explore the animals, talk about living things and read a story. We plan to take part in some fun communication and language games, sing songs and explore what we can find and see in the park, including looking at the plants and natural surroundings!

The visit will be taking place on **Friday 3rd April** in the morning. We will all be leaving school at 9.10am and plan to be back at school for 11.00am in time for lunch. We would really appreciate any parent volunteers would could accompany us on the trip. If you would like to do this, please let your child's class teacher know.

Kind regards,

Khadijah Iqbal & Ellie Webb
