

6th February 2020

Dear Parents/Carers

Year 6 Coding Club for Girls

We have an exciting new lunchtime club starting. The Year 6 Girls' Coding Club will start the first Friday after half term (Friday 28th February) and run for the full half term (until Friday 3rd April).

We are pleased to say that it will be run by two of our parents who have experience with coding – both of whom have the relevant DBS checks- meaning that there will be no charge for the club. They will be using the website projects.raspberrypi.org/en/codeclub, so if you're interested in having a look, please check it out.

The focus this half term will be on Year 6 girls, but the club will be opened up to boys and other year groups in the future.

If your child is interested in being in the club please fill in the slip and return it to school as soon as possible, as places are very limited. Alternatively, you can email messages@oswaldroad.manchester.sch.uk.

Kind regards,

Hayley Craven
