Announcements & Reminders

Science Day

On Thursday 13th February we will be having a science workshop in school. Children are welcome to come to school dressed as scientists for the day!

Labelling Clothes

Please ensure all personal items are labelled. Children have access to the playground as well as the hall during lunch time and often will leave jumpers lying around. Please label them so we can get them back to you.

Superheroes

Next half term we will be learning all about Superheroes! We would love the children to bring in any stories they have based on superheroes. If you are a real life superhero (doctor, firefighter, police officer, teacher, nurse, dentist etc) and would like to come and talk to the children then please let your child's class teacher know.

Fortnightly Family Task

This week we have been learning about money. We have been looking at different coins and trying hard to remember their value. Can you find any coins at home? See if you can sort your coins into different groups.

Remember to share your photos on Tapestry!
