## Announcements & Event Reminders

### Coronavirus Prevention.

We will be following a thorough 'hand washing' routine in Year 3 (and across all year groups).

Children will be washing hands as they enter school in the morning and during all break times in the day (as well as when visiting toilets!)

As part of our prevention strategy, we will be sending water bottles home each evening and kindly ask that they are washed ready for the next day (cups will be provided for any children that forget their bottle).

### RE Day

Next Thursday we will be taking part in a full day of RE learning.

## Multiplications

Please practice your times tables up to 12 x 12 regularly at home and access TT Rockstars for further training.

## English & Maths

Next week in English we will be focusing on planning, writing and editing a report on tea production.

In maths we will be continuing to practise our timetables and will be delving into statistics.
