

# Oswald Road Primary School

## Transition Home Learning Project – EYFS to Year 5

To help you with your transition to your new class in September, we have collected some activities for you to work through. You can complete as many of these as you like!

1. What questions would you like to ask your new class teacher? Write a list! Your current class teacher can pass them on.
2. Can you create a class 'survival guide' to help anyone in the year below you?
3. Can you create a presentation about yourself for your new class teacher? This can be presented any way you like. For example, you could draw a picture, create a video or make a PowerPoint.
4. Inside the outline of a face, draw anything that you are looking forward to about your new class, what you are nervous about and any questions you have.
5. Create a 'Wheel of Achievements' to display your proudest moments of your time in primary school so far. You can label each section with headings (such as Maths, PE, Music, Friendships). Inside each section, either draw a picture or write a sentence to show what you are proud of.
6. Create a 'bucket list' of things you would like to achieve next year (e.g. joining a new club).

Remember to post your work onto Seesaw or send it via [admin@oswaldroad.manchester.sch.uk](mailto:admin@oswaldroad.manchester.sch.uk)
