<b>Desired outcome</b>	<b>Chosen action/approach</b>	<b>What is the evidence and rationale for this choice?</b>	<b>How will you ensure it is implemented well?</b>	<b>Staff lead</b>	<b>When will you review implementation?</b>
Support for those most vulnerable to access before and after school club when family struggling to get the child to school.	Some funding in place for our before and after school club.	We understand that sometimes getting children into school can be difficult when there are specific issues in the family life. We know that temporary offer of access to before and after school club can effectively support the child getting into school.	For children accessing Before and After school club, their attendance and punctuality will be used as an indicator of success.	DH DW	Termly
Lowered absence levels for our PP children.	<p>Attendance officer working in liaison with School Business Manager and Headteacher</p> <p>Paperwork / spreadsheets in place for earlier identification of any children at risk of becoming poor attenders / groups overview / action</p> <p>Half termly Attendance Team meetings with Attendance Manager and HT</p> <p>Secure daily systems in place to tackle attendance issues</p> <p>Prizes / rewards in place to support good attendance</p> <p>Baseline tracking of punctuality to be followed across the year, followed up</p>	<p>As attendance rates were previously lower for pupils eligible for the Pupil Premium a system was put into place, with further refining of this to secure systems and procedures and to target specific families with bespoke programmes.</p> <p>Tight systems (and pastoral support in place where needed) will help raise the attendance rates of these children and improved levels of punctuality.</p>	Half termly Attendance Meetings will make clear the progress to targets	DH SR – Attendance Lead CT - SBM	Half termly (see Quality Assurance Calendar)

	effectively by Attendance Lead and class teacher where appropriate. Supported by Pastoral Team also when appropriate.				
Lowered levels of behavioural logs for our PP children	<p>Termly report submitted to HT from Behaviour Leads</p> <p>TLRs specifically for behaviour to support swift action/support, updating as needed of policy, Rights Respecting links, parental links.</p> <p>Strategic lunchtime support (TLR investment) to support levels of good behaviour and developed engagement.</p>	Children managing their own behaviours is our aim. We understand that there are many factors on how /why a child presents as they do in school. Developing a holistic approach is absolutely essential.	<p>Behaviour Policy in place, with reviews to see how this is working</p> <p>Support at lunchtimes to keep engagement strong even with specific zones in place due to Covid situation</p> <p>Review when looking at Behaviour reports and actioning next steps as needed</p>	<p>KWBH / WG – Behaviour leads</p> <p>DH</p>	Termly
