Dear Parents/Carers,

Pastoral Update- Easter Holidays

As we come to the end of the spring term we just wanted to say how incredibly proud we are of our children. The past few months have been incredibly difficult and they continue to amaze us every day. We also wanted to say a huge thank you to our families for all the work you have done with your children to ensure a smooth transition back into school.

In the second week of the Easter holidays you might want to dip back into the resources on our website, as they might be helpful in the transition into the summer term – <http://www.oswaldroad.co.uk/transition-back-to-school-after-lockdown/>

We will continue to upload support documents and advice that you might find helpful over the coming months so please continue to check this page.

An additional drop in session for parents/carers is also being offered on Wednesday 24th April by Amanda Clifton, our Pastoral and Health Manager. If you feel you would like to access further support around your child's social emotional mental health and wellbeing, please email Amanda directly to book an appointment slot.
