## **RE: YEAR 5 TASTER EXPERIENCE (CHORLTON HIGH SCHOOL)**

Dear Parents/Carers,

Please see letter below from Chorlton High School with regards to a virtual event.

Many thanks,

School Office

Dear Parents/Carers,

I am emailing to inform you about a change in the scheduled Year 5 Taster Experience that you had been invited to on Friday 2<sup>nd</sup> July 2021, 10am-12pm.

Due to the current climate, and looking forward to what may happen in the next few weeks, we have decided to change this to a virtual event rather than an in-person experience. We are really sorry for the disappointment this may have caused.

As promised, we would still like to provide your students with a taste of the high school experience and introduce them to new subjects that they will be studying in the future. I have attached a letter which explains how we intend to do this. We aim to make this experience as easy for yourselves as possible so will provide the resources in addition to the video sessions led by the CHS staff.

The materials that will be delivered can be used on the original date of your Taster Experience or on a day that suits your timetable better.

If you have any questions please do not hesitate to contact me.

Many thanks

Lindsey Mitchell

Mathematics Teacher

Transition Coordinator (Chorlton High School)
