

The Hoot

Year 2 Edition

Wb: 13/3/2017

Announcements & Reminders

Parent's Evening

Wednesday 22nd March 3:45-
5:20pm

Thursday 23rd March 3:45—
6:50pm

Hit the Button

A great game to help children with their times tables, division facts and number bonds can be found at www.topmarks.co.uk/maths-games/hit-the-button

English

Book of the week: Super Safari

We will be learning how to: Write descriptions of different animals using exclamation sentences (what beautiful feathers parrots have!)

We will also be writing a letter all about safaris.

How to support your child: Recap the features of a letter including the address, date, 'dear,' 'I am writing to', paragraphs and 'from'.

Maths

We will be learning about: Fractions. We will be finding $\frac{1}{2}$, $\frac{1}{3}$ and $\frac{1}{4}$ of shapes and numbers and then building on this by finding $\frac{2}{3}$, $\frac{3}{4}$ etc. We will also be looking at equivalent fractions ($\frac{4}{8} = \frac{1}{2}$). Some children will be solving fractions-based word problems.

Key vocabulary: half, third, quarter, whole, fraction, equivalent fraction, share equally.

How to support your child: Make sure they recognise the names of the fractions $\frac{1}{2}$, $\frac{1}{3}$ and $\frac{1}{4}$. Help them practically share objects and remind them of the vocabulary above.
