Kitchen Rolls – This week in school we are having a pirate and mermaid themed week. We would appreciate any donations of empty kitchen rolls and yoghurt pots to allow us to make some binoculars to look out for pirates!

Let's get planting! – As the days are getting warmer we are spending more time outside. We would like to brighten our outdoor environment up by planting some flowers/seeds. If you would like to get involved or donate any bedding plants we would love to hear from you.

Stay and Play – Friday 27th May 9.00-10.15. Don't forget to come dressed up in your best mermaid or pirate costume.

Summer Days – As we are getting more sunshine please can you provide your child with sun cream to use whilst playing outside. Please make sure the sun cream is clearly labelled with your child's name.

Thank You – A big thank you to everybody who took part in 'Green Day' and donated money for our school.

Fortnightly Family Task: The children are doing so much learning in school and we are sure they are showing you so much at home too! Parental contributions are so important to us especially so we can add this to our learning journeys. Please take some time to fill in a postcard telling us about something which your child has been doing at home. Have they written a word using their phonics or have they been helping you to do some planting? Whatever it is, we want to know!

If you have any questions please speak to your child's class Teacher.

Kind regards, The Nursery Team
