

The Hoot

Year 2 Edition

Wb: 17/4/2017

Easter Egg

Easter Eggs are so yummy
Too many will make you sick
The chocolate is so gorgeous
I think I'll eat mine quick.
Inside some there are choc-
olate buttons
Coloured smarties too
Then you've got those
creamy eggs
Just eating one won't do.
Yes, Easter Eggs are so
yummy
Especially with a cup of tea
All that melted chocolate
My face you cannot see.
So thank you Lord for
chocolate
And my Easter Egg
Would anyone out there like
some?
I'm only pulling your leg.

The Hoot will be back to normal after the holidays. We hope you have found it useful this half term. Have a lovely holiday!

Trip to Sea Life

Our topic next half term is 'Under the Sea' and in previous years we have gone on a trip to the Sea Life Centre. There will be a cost to this trip which will probably be between £15-20.

We have already arranged a trip to Staircase House in Summer 2 for our topic on the Great Fire of London. This trip will also probably cost between £15-£20.

When we arranged the trip to Quarry Bank Mill we had some feedback from parents who were unhappy about the cost of the trip. We understand that some people may be unwilling to pay for 3 expensive trips and we don't want to put families under pressure so we are asking if you would be happy to pay for a trip to the Sea Life Centre before we book it. Please can you let us know your thoughts via email (inbox@oswaldroad.manchester.sch.uk) Please address messages to Year 2 teachers. Thank you.
