

15th May 2015

Dear Parents/Carers

Visit to Chorlton Ees Thursday 21st May

As part of our Science topic, Living things and their Habitat, we are planning a visit to Chorlton Ees to do some pond-dipping and investigation of local animal habitats. This will take place on Thursday 21st May. As this is a local trip, we do not require additional permission slips.

School jumpers are to be worn for the visit. If a child arrives on a school trip without their school jumper, appropriate clothing to assist in immediate identification of any pupil attending a trip will be provided. As the weather can be unpredictable, please make sure your child comes to school with a waterproof, hooded coat and suitable shoes such as wellies. We will be leaving school at 1.00pm, so children do not need to alter their lunch arrangements.

If you do not wish your child to participate in this local visit, please inform your child's class teacher.

Kind regards

Paul Salisbury
