Dear Parents and Carers

RE Parent Forum

We would like to find out what our Parents and Carers think about the RE provision in school, and also if you have any ideas to help us enhance the children's learning in this area. In order for this to happen, we will be holding an informal forum for you to share your thoughts with us later in the spring term.

If this is something you would be interested in, please return the reply slip below to the school office by Friday 16th January and I will be in touch with further details.

Thank you for your continued support.

Kind regards,

Natalie Hickman
