Dear Parent / Carer

Stay Safe Parent Forum

The Stay Safe SIP Team would like to thank our wonderful Parents and Carers for their contributions during the School Improvement Plan Parent Forum this week. We really value your input and we will ensure that your ideas are incorporated into our action plan.

During the session some safeguarding concerns were raised which incidentally have also been discussed within Governing Body meetings about the way children are dropped off into school in the mornings. In light of these concerns we will be running an additional Stay Safe Parent/Carer Forum on Thursday 10th March at 2.45pm to discuss other parent/carers views. School will be changing the start of the day arrangements but would value parent/carers input to discuss how we can ensure that there is a seamless transition around these key changes linked to morning arrangements. If you would like to attend the forum please complete the reply slip below and send it to the main office.

Kind regards,
