Friday 19th December – School closes

Books we are reading:

Room on a Broom

The festival of lights

Spotlight Book:

Pumpkin Soup

Reminders:

Please ensure that you enter and exit the nursery every morning through the main door.

This is to safeguard our children, the other nursery door should remain closed and locked at all times.

The Hoot will now be coming out fortnightly.

Reading Books are changed weekly please ensure your child's book bag is in the box in their nest on the days below: Mrs Iqbal – Monday, Mrs Wealleans/Mrs Simspon and Mrs Harman –Tuesday and Mrs Lavin – Wednesday.

We are collecting items for our season display if you have any unwanted items of clothing, scarves, gloves, swimsuits, sunhats or other seasonal items spare please can you send them into nursery.

The children are having great fun splashing outside in muddy puddles and exploring the outside area, so it is essential that they now have a waterproof coat with a hood.

Weekly Family Task:

Let's explore our senses!

Nursery children really explore the world using their senses. They naturally touch, taste, feel and smell objects and environments. These explorations are a fantastic way of enhancing their communication and language skills. In Nursery we often go on a sensory walk and encourage the children to describe what they can see, smell, hear and feel. Why not explore your senses this week; enjoy a cup of hot chocolate with your child and encourage them to describe the taste and smell, or dunk your hands into a bowl of wobbly jelly or walk on the wet grass in bare feet.

If you have any questions please speak to your child's Key Worker.
