Reminders:

At Ozzy's Little Owls Nursery we have fun playing
outside in all weathers. Please ensure that your child
has the following items in a clearly labelled bag on
their peg. It would be extremely helpful if all items
were labelled with your child's full name.

- A waterproof coat (Waterproof trousers would
also be great but not essential)
- A spare set of clothes
- Wellies
- Sun cream
- Sunhat

To avoid any upset or potential loss we highly
recommend that you do not allow your child to
bring in any of their own toys or comforters from
home. We will have special days on which the
children can share items from home if they would
like – we will notify you of these dates across the
year.

Weekly Family Task:

In each edition of 'The Hoot' we will give you some ideas in this section of little tasks that you can complete at home with your child. These may be tasks that we are currently working on in Nursery or seasonal things to highlight important safeguarding issues.

This week as your child starts their transition into Nursery you could talk to them about their Key Worker, their time in Nursery and their new Nursery friends. We will also be working with the children to support their independence when taking off and putting on their own coat and shoes and being independent when using the toilets and washing their hands.

If you have any questions please speak to your child's key practitioner.

Kind regards The Nursery Team
