### Upcoming events and trips:

Monday 22<sup>nd</sup> September – This week you will receive a topic web that will tell you all about what your child will be exploring in Nursery. We really like to work in close partnership with our Parents and Carers so we will ask for your feedback on this. Also if you have any skills or experiences that you could offer related to our new exciting topic please let us know.

Wednesday 1<sup>st</sup> October – Family Stay and Play for 1 hour from 2.15pm-3.15pm.

Thursday 16<sup>th</sup> October – Coffee Morning 9.00-10.00am to share our learning journey so far.

Friday 24<sup>th</sup> October – End of half term - Nursery finishes at 3.15pm.

### Reminders:

We are so proud of how well the children have settled into Nursery. We have had lots of fun exploring the Nursery building and our exciting outside area. This week when you come into Nursery please find your child's peg and encourage them to find their name and picture and then self-register in their nests. Staff will be on hand in the cloakroom until the children get the hang of this part of our morning routine.

If you haven't sent in the items below already in a clearly labelled bag please do so as soon as possible:

A waterproof coat (Waterproof trousers would also be great but not essential)

A spare set of clothes

Wellies

Sun cream

Sunhat

### Weekly Family Task:

This week as your child continues their transition journey into Nursery you could continue to talk to them about their Key Worker, their time in Nursery and their new Nursery friends. We are still working with the children to support their independence when using the toilets and washing their hands. You could support us with this by practising at home and ensuring the children wear clothes that they can pull up and down easily.

We would also love to hear about your family news if you have been on an exciting adventure to the park, enjoyed baking together or if someone special has had a birthday please share this with your child's Key Worker. If you would like to send a picture or leaflet into school this will help your child to recall the event and have the confidence to tell his share their news with friends. We will put these on our 'Family Wow Wall'

If you have any questions please speak to your child's key practitioner.

Kind regards The Nursery Team
