Reminders:

Last week in Nursery we explored the text Elmer, the
children talked about the ways in which they are all
unique and special. This week we be continuing to
ensure a smooth transition by exploring texts related to
the nursery environment.

When you come into Nursery please continue to find
your child's peg and encourage them to find their name
and picture and then self-register in their nests. Staff
will be on hand in the cloakroom until the children get
the hang of this part of our morning routine.

If you have any unwanted items of clothes that you
would like to donate to nursery we would be very
grateful. We are short on leggings and underwear
(used for little accidents). If you child is sent home in
nursery clothes please wash and return them.

If you have any questions please speak to your child's Key Worker.

Kind regards The Nursery Team
