

Science - Materials

Would you live in a paper house?!

We will look at how different materials in our environment are better suited for different purposes.

Article 29: Every child should be encouraged to respect the environment.

Geography

Our City/Our country

We will be expanding on last term's topic of the local environment by looking at the city of Manchester and its place in the UK. Links to Maths will include map reading and coordinates.

Computing

We will be putting our newly learned ICT skills into practice to create story books based on traditional tales on the iPads.

Religious Education Stories

We will enjoy stories from different religions. Do you know any you can share with us?

Music

Recording skills at the ready...we will be using a range of materials to make different sounds. We will also be exploring tuned and untuned instruments.

Maths

We will carry on reading and comparing numbers under 100. We will be revisiting number and place value. We will be introducing multiplication as repeated addition and division as sharing and grouping. Maths in real life contexts: We will be using the language of time to describe our everyday routines and learning to tell the time to the hour and half past.

English

Once upon a time there were three classes of Year 1 children. They all learnt about the features of fairy tales. They tried really hard with their sentences and they all wrote happily ever after!

Physical Education

Gym

Move over Louis Smith! We will be putting our moves into sequences.

Dance

Dosie Doh..Let's explore the routines of country dancing!

Enrichment and Trips

We will be having a visit from the Legoman and working as a team building a LEGO city!

Design and Technology

Teddy Houses

'I'll huff and I'll puff and I'll blow your house down!' Oh no you won't because we will be using our knowledge of materials learnt in science to plan and make strong houses for our teddies!

Parent/Carers reply slip. Please send in your suggestions and comments by returning this slip to your child's class teacher.
