

Life on Mars

GEOGRAPHY

'Plant earth is blue...'
How is the blue planet represented on the globes and maps? Let's get our maps out and locate the key places connected to the space rays.

PE

Night fever! Let's get our dancing shoes and get ready to groove!

Computing

We will be using the Internet to research the 1970's. Let's make a Power Point about the Space Race! Be ready!

HISTORY

5,4,3,2,1 Lunar landings here we come! What were the significant events and people? Was anyone in your family an eye witness? We would love them to come and tell us about this. We want to know everything! What they were wearing, listening to, etc... Groovy baby!

Reading and Writing

We will be reading a variety of Non-Fiction and Fiction books including:

- Eye Witness accounts
- Reports
- Letters
- Diaries

This will then be used to inform our writing.

MUSIC

Lunar sound scapes here we come! Get ready to create some moonscape. We will be dancing along to some contemporary music

RE

Birth Ceremonies

Any new additions to your family? How are you welcoming and celebrating the new

Science

Nutrient? What are we eating and why? We will be looking at a balanced diet designing some space food. I wonder what you will design...

ART

Are you ready for your 15 minutes of fame? Get ready to make prints in the style of Andy Warhol!

We look forward to hearing your ideas on

Take your protein pills and put your the slip provided!
helmet on! Get ready to visit space! From Year 3
