

### History

*The Spanish Civil War changed the face of the country. Year 5 will be exploring the social and emotional effects this had on the population.*

### Geography

*The rain in Spain falls mainly on the plain! Year 5 will be investigating the landscape and culture of Spain. We will also explore the positive and negative aspects of jumping on jets and travelling to the Costas.*

### PE

*Get your dancing shoes on and bulls at the ready for a flamenco fiesta combined with fancy football footwork inspired by David Silva and Juan Mata.*

### Hooks

*Get your taste buds ready for our tantalising, tapas trip through Spain.  
Year 5 will be exploring Mediterranean flavors to kick off our Spanish fiesta.*

# **Viva España**

### Art

*Get your scruffs on kids because we're going to be grouting!  
Taking inspiration from one of Spain's finest artists and architects, Year 5 will be delving into the avant-garde world of Gaudi and his mosaic work. We will also be studying the strange and wonderful world of Picasso!*

### Maths

*Year 5 will be travelling to Spain in a day to solve some tricky mathematical problems. We will be comparing climates and football teams using statistical data and converting currencies.*

### Writing

*Leave room in those suitcases for some writing journals and pens....  
Year 5 will be inspired to write newspaper reports, persuasive holiday brochures, diary entries and Spanish recipes.*

### Science

*Blast off! This half term, Year 5 will be studying space. We will be exploring our solar system, distances between planets and why we experience day and night. We will also be receiving a special visitor on our Space-themed day!*

### RE

*In RE we will be exploring some of life's most fundamental questions through studying some major world religions.*
