

### WRITING

We will be creating our own survival guides to help Anglo-Saxons thrive in their new homeland.

Ever heard of the tale of Beowulf and Grendel? We will be creating comic strips and drama about this epic struggle between man and beast!

### OUR HOOKS

This half term we are looking forward to a visit from a real Anglo-Saxon (who featured on Horrible Histories, no less)! We will be finding out how the Anglo Saxons changed the face of the UK, getting to grips with the weapons and armour they used and finishing the day with a Saxon burial.

### DT/ART

Have you ever wondered what an Anglo-Saxon shield looks like? We will be finding out and then creating our own!

### MATHS

We will be tracking the history of the Anglo-Saxons by researching key dates to use on a timeline.

### GEOGRAPHY

The Anglo-Saxons created numerous settlements all around Britain. We will be tracking these, as well as finding out about how the Anglo-Saxon names for places still survive today.

### RIGHTS AND RESPONSIBILITIES

During the Anglo-Saxon era, Britain became Christianised. The right of the native pagans to worship their gods was removed. Was this fair? Let's debate Article 14 of the UNICEF Rights of the Child - The right to follow your own religion.

### HISTORY

We will be focusing on the history of the Anglo-Saxon rulers as well as their struggle to take control of the British Isles.

We will also be discovering how the Anglo-Saxons buried their dead, with their ships and other worldly treasures.
