

HOOK – We will be taking a trip to the wonderful Tudor House 'Ordsall Hall' where we will have the chance to dress up, prepare Tudor food and discover the differences between the rich and the poor in Tudor times.

A RIGHT ROYAL UPROAR

MATHS THROUGH TOPIC

We will be linking lots of fun maths to our topic this half term including:

- Measures for baking
- Word problems
- Tudor money
- Budgets for the rich and poor
- Patterns/symmetry

WRITING

We are now becoming fantastic writers ready for Year 5! We will be doing some exciting writing linked to the Tudors. This will include:

- Recipes/instruction writing
- Biographies
- Balanced arguments
- Recounts
- Persuasive texts
- Information leaflets
- Diaries

HISTORY/GEOGRAPHY

We will be exploring what life was like in the Tudor times. Who were the Kings and Queens at that time and what did they do? How was life different for rich and poor people? What did Tudors wear? What important battles occurred in Tudor times? What was Tudor food like? We might even have a go at making some Tudor biscuits!

PSHE

Children will be offered our 'Growing and Changing' curriculum. Please refer to letters and workshops offered from school around these lessons.

R.E.

Children will be considering their own and other religious responses to people in need around them. They will reflect on the responsibility people feel to care for others.

SCIENCE

Science this half term will be focusing on investigations. We will be learning in depth about how to plan, carry out and evaluate a scientific experiment in a fantastically fun way!

P.E.

We will continue with swimming lessons. We will also be taking part in outdoor athletic activities in preparation for sports day!

ART/DT

We will be using the TASC wheel to plan, carry out and evaluate making a Tudor purse.
