

### **Art**

We will be linking with maths and creating prints of Viking runes, symbols and codes.

### **Hooks**

Oswald Road will be getting raided by a real life Viking, so get your weapons at the ready!

### **Writing**

Anyone travelling far from home should write a diary to remember their journey. We will be getting into role as a Viking and recounting our raiding adventures.

### **Geography**

The Vikings enjoyed travelling and found themselves in strange new lands. We will be mapping and tracking their voyages.

### **Maths**

We will be using our maths and decoding skills to answer and create word problems using Viking runes.

### **History**

Succeeding the Saxons was no easy feat. How did those vicious Vikings do it? What did they achieve? How does it affect us today? What caused their eventual downfall?

### **Outdoor Games**

The theme of invading and raiding will continue into our outdoor games lessons as we learn to play netball and basketball.

### **UNICEF Rights Links**

We will be looking at how children were treated in Viking times. We will be linking this to our UNICEF Human Rights work, in particular Article 32:

"Children should not be allowed to do work that is dangerous or might make them ill, or stops them from going to school."

### **Science**

One thing the Vikings needed was a lot of force. We will be looking at different types of forces they would have used.

# Vicious Vikings
