

History

Succeeding the Saxons was no easy feat. How did those vicious Vikings do it? What did they achieve? How does it affect us today? What caused their eventual downfall?

Science

One thing the Vikings needed was a lot of force. We will be looking at different types of forces they would have used.

Maths

We will be using our maths and decoding skills to answer and create word problems using Viking runes.

PE

Clogs at the ready! Year 5 will be learning how to clog dance like our Scandinavian friends.

Vicious Vikings

YEAR 5

Hooks

Oswald Road will be getting raided by a real life Viking, so get your weapons at the ready!

Writing

Anyone who is travelling far from home will always want to write a diary to remember their journey. We will be getting into role as a Viking and recounting our raiding adventures.

Art

We are sure even the Saxons needed Ikea flat pack furniture. We will be taking inspiration from Swedish folk art to design our own Viking home-ware accessories.

Outdoor Games

The theme of invading and raiding will be continuing into our outdoor games lessons as we learn to play netball.
