

## Geography

Have you ever wondered where the witches might have lived?  
Or are they still around today? We will be looking at some of  
the key locations that they could be found in.

## Science

With us looking at the paranormal forces during history, we will  
be looking at different forces we encounter in everyday life during  
our science lessons.

## Dance

In the sunny climate of Manchester, what could be better  
than learning how to perform a rain dance?

## Maths link

Why did the number of witchcraft trials increase towards the  
end of the Middle Ages? We will be investigating this in  
detail and using graphs to represent our findings.

### Other subject areas:

English - 'Dr Jekyll and Mr Hyde' by Robert Louis Stevenson / 'Snow Spider'  
by Jenny Nimmo

Maths - Data handling, area/perimeter, fractions and number calculations

RE - Paganism/Christianity

Outdoor Games - Netball

## Art/DT

Did you know that people who lived in Medieval England often relied  
on charms to protect themselves? We will be designing and creating our  
own modern versions!

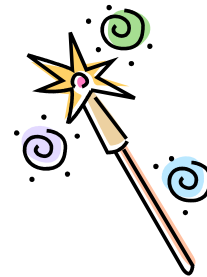

## History

This half term's topic is inspired by the measly Middle Ages,  
super sorcery and weird witchcraft! Bring your pointy hat, black  
cat and broom on our journey back into the past...

## Trips/Events

There will be an opportunity to visit Manchester Cathedral  
to study its medieval architecture!

# Magic Moments!

## Writing links

Prepare for some in-depth research into the Middle  
Ages! We will be writing biographies, non-fiction  
pages and our own witchcraft trial transcripts. Also,  
we will be creating our own instructions so we can  
share our potion ideas with the world!

**We would really love to have your feedback  
about our topic web! Please send the attached  
slip back to us ☺**
