

# A Country Divided

## **Trips/Events**

This term is full of excitement! Starting off with a visit from a Cavalier, we then have our end of year performance AND Ghyll Head! What more could you ask for?

## **Art/DT**

During this time period, portraiture became incredibly popular! We will follow in William Dobson's footsteps when we create our own portraits. Also, we will re-visit the fashions of the Cavalier years by creating 3D outfits made entirely from newspaper...

## **Maths links**

From analysing the scales of maps to calculating the cost of the war, there are plenty of opportunities to deepen our understanding of real life mathematics this term!

## **History**

From 1642 to 1651, Britain truly was 'a country divided'. We will be finding out what truly caused the split between the Cavaliers and the Roundheads as well as assessing the impact of the MANY battles which took place during this time.

**We would really love to have your feedback about our topic web! Please send the attached slip back to us ☺**

## **Writing links**

Civil War diaries, log books and letters will all inspire our writing this term!

## **Dance**

Get ready to represent the various interpretations of the Anglican Church during the Civil War through...dance!

## **Science**

This term we will be investigating the mysterious workings of circuits! Also, get ready to experience some serious light bulb moments when we examine how light really works...

## **Geography**

How did the Cavaliers and the Roundheads decide where to fight their battles? We will be carrying out some in depth research into this using a range of maps to guide us!

## **Other subject areas:**

**English – 'Cosmic' by Frank Cottrell-Boyce.**

**Maths – Shape, measurements, data handling, fractions and percentages.**

**RE - Hinduism.**

**Outdoor Games – Athletics/Bat and ball games.**

**Gym – A review of key sequences used throughout the year.**
