

Manchester Museum, Oxford Road

See, Make and Do at the Museum

Autism Friendly Early Opening

Sat 10 Dec 9.15 -10.30am

Drop in, free, Autism Friendly: suitable for children and young people aged 5-16 with a parent or carer: siblings welcome too

Join us for our early openings at the Museum aimed at children who have autism and other needs, along with their families and carers, and siblings. This is a fun filled morning of hands on activities. Activities take place before the Museum opens to the general public and there will be a quiet room available too. See objects, do activities & make creations inspired by one of the Museum's galleries. A different gallery will be open at each early opening.

On **December 10th**, our newly opened “**Extinction/Survival?**” exhibition will be open earlier. Come along to enjoy and explore together.

Second Saturday of every month
