*(Places are limited and bookings will be taken on a first come first served basis)*

## About the FA Skills Team

Our FA Skills team in Manchester have worked with thousands of 5-11 year olds since the programme established in 2007. Providing school delivery, after school skills centres and support to our local charter standard clubs – the Skills coaches are the nation's 5-11 specialists providing a safe, fun and challenging environment for all youngsters regardless of their age or ability.

### **Here's what a few of our regular attendees had to say about the sessions...**

*"Our children love every minute, the structure of the session is well thought out and professional. The coaches make them feel comfortable and at ease, making it easy to gain confidence and improve their skills"*

*"FA Skills has been a great experience for my son and given him a lot more confidence to go out and enjoy his football. It's certainly opened a lot of avenues for him as he has learnt a lot from the other players"*

*"The coaches deliver modern and enjoyable sessions which involve the players engaging in lots of 'real' game situations, giving the players the best chance to learn and develop"*
