

Class Weekly News

Pudsey Bear Day

Children in need has come to Oswald Road.
We raised over £800! Thank you for
buying our Pudsey Bear biscuits
and bringing a £1.
We hope you have enjoyed the day.

Top Headlines

Have you seen the big puddle?

If you have watch out because
it is very deep and very big.
At lunchtime the puddle looked
like a lake. The lunchtime
Organisers have been keeping
children away from it.

Don't be daft and
walk in it. Just
stay away from
the puddle.

School target

Our school target is to make
good behaviour choices at
Playtime and lunchtime.
So try making some friends or
just be
nice to
people.

Year 2 guy forks workshop

Interview

This is a quote from Eve Borresen, year 2.

Interviewer: How did it go?

Eve: It went really well and it was funny when the man called Miss Dyson 'my lady'.

Interviewer: Did your class do any drama?

Eve: Well Billy, Leila and Lloyd did help the man with the drama.

Interviewer: Is there anything that they could improve on?

Eve: Yes, there could of been more girls as guards. But over all it was a very good workshop.

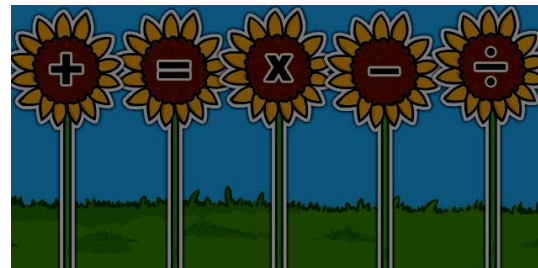

Teacher Tales

Today we are telling some fun lessons with Mr McDonagh. This time it is Maths.

Best Maths Lesson

One day at school Mr McDonagh was teaching us maths and he told us to practice our times tables. Then he told us to sit on the carpet. "I want to tell you how to learn your times tables. I will pass the ball to you and ask you a times table. Then you will tell me the answer." So he passed the ball to Ceri and asked him a times table and Ceri said the answer.

The next one is when Shawn (the coach for sports) had a dance off.

The Dance off

When we were in our groups (Tawny, Spotted, Barn and Snowy)

We went to different stations. Anyway we were with Shawn. So we finished what we were supposed to do and Shawn asked us to do a dance off! He gave us each a number and we each had to dance. The boys who were number 1 went first. Then the number 1 girls were up. But we

needed help. So Number 3 and 2s came to help us. At the end the boys won.

How to be a Teacher's pet

There are lots of ways to be a teacher's pet but some are a bit complicated. The first tip is to put a lot of effort into your work so you can get house points. Next thing is to be nice in the PLAYGROUND. And last of all if your teacher needs help then ask 'should I help you?'.
