4. No staff meeting this week
5. New school development plan has been written up and put on the website under the School Improvement Plan page.
6. Helen W reminded staff that we have 53 SEND children on register across school, with some very complex cases. If teachers come across a concern in class, the Phase Leader is to make the referral and will do an observation of the child in question. If the concern is to do with cognition and learning, the teachers will need to provide evidence to show that no progress is being made. Donna reminded everyone that social and emotional needs also fall into the SEND category, and these referrals can be made through the Pastoral Team.
7. Topic webs and newsletter going out on Friday.
8. Hayley will be collecting maths staff voice in preparation for an Ofsted visit (not confirmed yet!!)
9. Drop Everything and Read at 2:00pm today (Weds)
