

My New Teacher

Name: Jess Jones

Class for 2017/18: UJ

How long have you been a teacher for?

This is my first year of being a teacher and I am thoroughly looking forward to making it a brilliant one! I have an Early Years Degree, so I have been working with children between ages 3-6 for a number of years, in a range of educational settings.

How long have you been working at Oswald Road?

This is my first year at Oswald Road and I am extremely excited to be working with you and your children!

What is the best thing about being a teacher?

Seeing a child enjoy their learning and reaching their potential! I always want the best for the children in my class; therefore I put them and their needs at the centre of everything! I strongly believe that a curriculum needs to be made creative to allow learning to come alive in the classroom to enable children to engage and reach above and beyond.

What are your interests/hobbies?

I am someone who loves to explore new counties, especially cities! I am a very social person who thoroughly enjoys getting involved in community projects, especially if they involve music, performing or creating something new!

Give us an interesting fact about yourself!

At the age of six I returned home one day and said to my mum 'Can I go and join Peter Pan, because I never want to grow up and always want to stay at school.' Since then I have always worked towards that dream and now I'll never be leaving school!
