

# The Hoot

## Year 1 Edition

Wb: 2/10/2017

### Announcements & Reminders

Our topic for this half term is Me, Myself and I.

Look out for a letter about our upcoming Geography trip around the local area!

### Maths

We will be continuing to learn about ordering numbers including counting forwards and backwards. We will also be learning about ordinal numbers (e.g. 1st, 2nd, 3rd etc) and how to use a number line correctly to help support us when ordering numbers. We will be recapping all our work on place value to check our learning and understanding.

Key vocabulary: greater than, more than, less than, smaller, than, most, least, fewer than, order, compare.

How to support your child: ask your child to order dominoes, digit cards etc from smallest to largest and largest to smallest.

### English

We will be learning about oral story telling rehearsal and using drama to support our writing.

How to support your child: Read through The Gruffalo with your child if you have it at home, or another exciting tale. Talk about how the characters behaved and why. Can you act out a scene together?

You could ask your child to retell you the story acting out their favourite parts.

### Phonics

This week's sounds:

igh, or, ow and ur

### Homework

Look out for our homework project 'Be an Autumn Scavenger' - this is due back in school on 12/10/17
