Dolls

Word of the week: no

Sounds of the week: o,c,e,u,r

Announcements & Reminders

'Good News' Postcards

We will be sending home a postcard with your child this week. These are for you to fill in if your child has done something you haven't seen them do before. For example, your child might crack riding their bike without stabilisers, or they may have tried a new type of food for the first time. We want to add these to their learning journeys to celebrate learning that takes place at home! There will be a letter attached with more details on how to fill them in and what to put. Please don't feel it is something you have to fill in all the time, just when you have that WOW moment from your child.

Well done :)

Well done to those children who have completed their Family Task. We would love to add more autumn pictures to our wall, so get creative!

Fortnightly Family Task

There are lots of changes beginning to happen outside. The leaves on the trees are starting to change colour and fall on the floor and the weather is beginning to get cooler.

Go for a walk with your family and take some pictures of the changes you see.
