Our Book of The Week: Whatever  
Next

The word of the week: you

Sounds of the week: ar, oo, or

## Announcements & Reminders

### Welcome Back!

Welcome back and happy new year everybody! We hope you enjoyed the holidays with family and friends.

### 'Out of this World' Topic

Our topic this half term is called 'Out of this World'. We will be talking lots about planets, stars and rockets. We will also be taking part in lots of science experiments. If you have any interest or hidden talents within this area please let your child's class teacher know, as we would love for you come in and share them with the children.

## Weekly Family Task

Over the next two weeks we will be looking at 2D and 3D shapes. We are going to be learning their names and some simple facts to describe each shape. How many shapes can you find in your house? How many shapes can you find on your road? How many shapes can you find in the park? Go on a shape hunt with your grown ups and take photos or draw pictures of different shapes you find.
