

We   
Oswald Road

**“My kids are really fortunate to be in  
such a culturally diverse school.”**

**Year 5 Parent**

**“I am personally so grateful that my son is part of a wonderfully diverse and close school community where tolerance, understanding and love are promoted.”**

**Year 4 Parent**

**“We continue to be delighted by the standard of teaching and the care and effort that goes into looking after the children and we trust you all to make the right choice.”**

**Year 1 Parent**

“I (and my daughter of course!) will miss Oswald Road so much, I'd say of all the decisions we had to make about leaving Manchester, leaving the school was the toughest.”

Former Year 1 Parent

“It's a fantastic school, and I've nothing but praise for all the staff, the teachers, the ladies in reception, the lunchtime organisers.....everyone seems to live and breath the same values as the school, which to me is kindness, respect for others and inclusivity.”

Year 2 Parent

“For me Oswald Road continues to be a great school. I loved the diversity day and I think it truly worked so well because the school is so diverse and that diversity is celebrated in school on a daily basis. I remind my kids regularly how fortunate they are to be at Oswald Road Primary.”

Year 4 Parent

**“Working with such a hard working team is fantastic. It's so lovely to know everyone wants the same thing...the very best for our fantastic children.”**

**Deborah Howard, Headteacher**

“My daughter started at Oswald Road in Year 3 and has enjoyed every day since! The children are friendly, the teachers are caring and the school in general is a calm and nurturing environment. My daughter struggled with reading and writing before she started and is now improving every day, and has even started to enjoy reading!”

Year 5 Parent

**“The thing I love most about Oswald Road is our children. It is an absolutely pleasure to work with them. I feel very lucky.”**

**Donna Wealleans, Assistant Headteacher**

“I've always loved how our children and school community as a whole are always so accepting of children from different cultures and faiths, different family backgrounds and the differing needs of their friends in the classroom.”

Hayley Craven, Year 1 Teacher

“When we're outside and playing games nobody is rough and everyone is nice to each other. That makes me happy because nobody gets hurt and we can just carry on with our game!”

Herbie 2JD

**“The trips we go on at school are the best! We have been to see the animals at the zoo and to the circus.”**

**Hassan 1SE**

“I like the people at our school. My favourite people are Sophia from my class and Miss Eldridge.”

Poppy 1SE

“What I like best about our school is that we learn different things. My favourite topic so far was when we learnt about animals.”

Martha 2SH

**“My favourite thing about our school is doing maths. I liked Spy Day Friday in Super Learning Week because I liked wearing my sunglasses to school!”**

**Brandon 2SH**

“The best thing about our school is that we learn loads and we get to go on trips, like when we went to Eureka!”

Elliot 2SH

**“The best thing about our school is  
that everyone is kind to each other”**

**James 6NG**

“What makes our school unique is that we have a big mix of nationalities, religions and cultures. It’s really nice.”

David 6NG

“The best thing about our school is the friendships that we make. I make new friends every day when I come to school. We are also lucky that we get to learn loads of new topics and we have the opportunity to learn musical instruments like the guitar.”

Luke 4SM

“I like our school because we make friends and we learn at the same time. My favourite subject is English because in our ‘big write’ we get to make up our own stories.”

Ruby 4SM

“It’s great that we are a Rights Respecting school because it teaches us that there are lots of children out there that aren’t as lucky as us. It makes us realise how lucky we really are.”

Raphi 4SM

“What I love about school is reading books, friends, my teacher Miss Davis, ALL of the classes in school, school dinners...I love everything!”

Zain 5CD

“We have so many different people from different countries, and that makes our school unique. In my class, for example, we have one person from Argentina, some from Pakistan and one person is from Wales.”

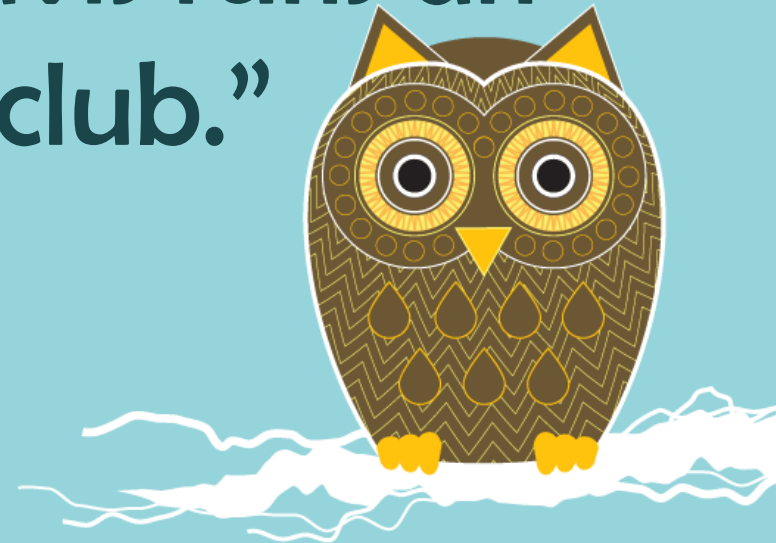

Daniel 5CD

“The teachers are the best thing about our school because they are so nice. They take part in a lot of different activities.

They are special because they all organise something fun for the school to do. For example, Miss Davis runs an afterschool netball club.”

Eve 5CD

**“The best thing about our school is the people. If they see rubbish on the floor they put it in the bin, which shows that they care about the school.”**

**Safa 3CM**

“I really like the work that we do. My favourite is maths and I enjoyed doing the ‘papaya’ story writing.”

Billy 3CM

**“I like the fact that everyone in our school helps each other out. For example, if someone gets hurt then someone else will always take them to first aid.”**

**Maisie 3CM**

“My favourite thing about working at Oswald Road is working alongside such a vibrant team, teaching children who take great pride in all that they do and have a real desire to make themselves, their parents and their teachers proud.”

Laura Thomas, Year 2 Teacher

**“I can't think of anything more that a family could ask of you or any School Head on any level. For that we are all extremely grateful.”**

**Year 5 Parent**

“I have worked at Oswald Road for 20 years and each year has brought exciting new changes. What makes our school unique is the level of enrichment we offer our children, from exciting trips to themed events such as Super Learning Week.”

Helen Wright, Office Manager

**“What makes our school unique is the willing and active participation of our parents and carers in enrichment activities. World Day for Cultural Diversity and Science Takeover are perfect examples of this parent involvement.”**

**Jacquie Campbell, Receptionist**

**“I am very proud to have been a part of the Oswald Road school community now for 15 years. I smile when I see the generations of children I have taught grow up in to happy, well-rounded individuals.”**

**Kathryn Whalley Ben Halima  
Year 3 Teacher**
