

Water Safety

Oswald Road Primary School

Discussion

- Where can you find water?
- What dangers can be found near water?
- What we talked about the 'edge' what do we mean?
- What could happen if you fall close to the edge?
- What would happen if you fell over away from the edge?

The key message

- Stay
 - Away
 - From
 - the Edge
- S.A.F.E

Hidden Dangers

Every year the Canal & River Trust remove dumped rubbish from waterways. It's often hidden below the surface of the water and a potential hazard.

What are the hidden dangers near water?

Spot the hazards

Who is safe?

Activity

Produce a poster about the dangers near water that might not be immediately obvious.

Remember to include the key message
