### Announcements & Reminders

#### Reading Books

Next week your child will come home with a reading book and reading diary. There will be a reading expectations letter sent out to you next week. If you have any questions, please see your child's class teacher.

Please can you ensure your child has a book bag. We have lots of letters and work that get sent home every day. A book bag helps the children to keep their things in one place. Please can you also make sure that your child's reading book and reading diary are in their book bag everyday.

#### Tapestry Letter

Please can you read and sign the Tapestry permission letter that we will be sending out to you this week and return it to the office ASAP. Thank you :)

### Fortnightly task

This week we will be talking about our families. Can you bring a picture of you and your family to school for us to share?
