

Who will win the Space Race?

HISTORY

5,4,3,2,1...Lunar landings here we come! We will learn about who was the first to land on the moon - the Russians or the Americans? Will it be Yuri Gagarin or Neil Armstrong? We will find out about the Cold War and the Space Race and look at a timeline of events.

PE

We will do outdoor games on a Wednesday morning as part of our carousel activities.

Computing

We will be using the Internet to research the 1970's. Let's make a Power Point about the Space Race! Be ready!

Reading and Writing

We will be reading a variety of non-fiction and fiction books, including:

- Eyewitness accounts
- Reports
- Letters
- Diaries

This will then be used to inform our writing.

MUSIC

Lunar sound scapes here we come! Get ready to create some moonscape. We will be dancing along to some contemporary music.

RE

We will look at reasons why people pray and what it means to them. Also, we will focus on similarities and differences on how people pray within different religions.

Science

Do I know what humans need to stay healthy? We will look at different food groups and how to plan a balanced diet. We will look at our bodies, muscles and skeletons.

ART

Are you ready for your 15 minutes of fame? Get ready to make prints in the style of Andy Warhol!

We all have the right to be healthy
