

WRITING

We will be writing instructions, diary entries, newspaper reports, information pages and many more previously learnt skills and linking these to the fabulous decade of the 60s!

MATHS

We will begin the term by securing our place value knowledge. We will also be working on different methods for addition and subtraction and relating this to money and measures. We will also be solving some 60s word problems.

PSHE & RE

We will be exploring different religions and ways of life through the theme of 'becoming an adult'. We will discuss how choices we make may influence the path our lives take. Our theme this term is 'being me in my world'. We will be exploring rights and responsibilities and creating our own learning charter.

Were the Sixties really swinging?

DT/ART

The 60's were a time of new fashions - flared jeans became hip, the mini skirt was queen - hair became long! The list goes on! We will be looking at the different patterns and colours that were popular on clothing and designing and making our own 60s style t-shirts.

GEOGRAPHY

We will be identifying and locating where the Berlin Wall stood and why it was there. We will think about its impact on the country and the world. We will also explore the way the map of Europe has changed since the 1960's and the reasons for this.

SCIENCE

Our science topic this half term is on sound. Have you ever wanted to know how sound travels to our ears? Well, think no more—you are about to discover how and why we can enjoy the Beatles and the Moody Blues on our gramophones!

Rights Respecting Links: Article 29

You have the right to become the best that you can be.

PE

This half term we will be starting our swimming lessons. We will also be having a go at various groovy dance moves from the cool and hip 1960's. So get ready to twist and shout!

Parent/Carers reply slip. Please send in your suggestions and comments by returning this slip to your child's class teacher.
