

Year 2 Edition

Wb: 19/11/2018

The Hoot

Announcements & Reminders

Wednesday 21st November

We will be visiting Chorlton library to talk to the illustrator Lynne Chapman. We are all looking forward to it! This is part of Chorlton Book Festival—it is worth keeping your eyes open for other events you could take your child to outside school time.

Parent's Evening— thank you:

Thank you to everyone who attended parents evening this week. It is great to have the time to talk with you about your child's progress. We look forward to the second instalment on Tuesday. Year 2 is a tough year for the children and we are really proud of the progress all children have made.

English

We will be: Reading the book 'Dogger'. During the week we will be writing sentences and working on a plan for an extended piece of writing to be done the week after.

How to support your child: Retell a story you have read to them OR retell a story you know they know. Focus on the key details of the plot/characters.

Maths

We will be learning: The focus will move onto multiplication and division.

Key vocabulary: groups, divide, multiply, multiple, share, lots of, share equally, product.

How to support your child: Ask your child to share everyday items. For example, share that packet of Haribo in groups of 3/5!
