

# Understanding Children's Behaviour

## Free course for parents and carers

This course helps you build on your knowledge and skills to deal with common problems and improve your relationship with your child.

Come along, meet other parents and carers and learn more about:

-  Communicating effectively with your children
-  Helping your children recognise their own potential
-  Bringing out the best behaviours in your children
-  Setting goals for your future learning and work.

You will be able to practise these new skills with your family.

Venue: Oswald Road Primary School

Dates: Monday 29th April - 17th June 2019

(No sessions on Monday 6th May and 27th May)

Times: 9.00am-11.00am

Please complete the reply slip below and bring it to the school office if you would like to join this course.
