

12th November 2019

Dear Parents/Carers

## Reception Maths Workshop

We would like to invite you to attend a mathematics workshop on **Wednesday 27th November** from **9:20am** to **10:00am** in the main hall. The purpose of this workshop is to gain a better understanding of how we deliver mathematics sessions through short, fun and interactive activities.

We will talk about how you can help support your child at home and show you simple resources which can be used to do so. We will also be giving out a helpful resource pack for you to take home to use with your child.

In the past, feedback has told us that families really value the information provided in these workshops. We strongly advise that you or someone in the family make every effort to attend to ensure your child will make good progress in their Reception year and that we are working in partnership.

We look forward to seeing you there.

Kind regards,

Laura Tracanna, Natalie Turton & Sophie Roberts  
Reception Teachers
